

## **Did you know? City of Ames Rummage RAMPage.**

Summertime in Ames is here, which means the Rummage RAMPage is nearby. This annual community sale is a great way to repurpose items and to keep them out of the landfill. Below are some helpful questions for those wanting to participate in this year's event.

- **When is Rummage RAMPage?**
  - Friday, July 26<sup>th</sup> – Saturday, August 3<sup>rd</sup>.
- **Where is Rummage RAMPage?**
  - The event will be held at the Ames Intermodal Facility, 129 Hayward Ave.
- **Why is the sale at the end of July?**
  - Leases all over Ames typically terminate at the end of July, which is when most items get discarded that are still useable. With the leases terminating at the end of July, new leases will start at the beginning of August. Which gives everyone a great opportunity to drop off items or find new items.
- **What items can be donated?**
  - The acceptable items can range anywhere from furniture, televisions, kitchenware, small electronics, and more!
  - For a detailed list on what can be accepted, please check out this link: <https://www.cityofames.org/living/sustainability-in-ames/rummage-rampage/items-to-donate/-fsiteid-1#!/>
- **Who can participate in this event?**
  - Whether you are hoping to donate or shop, this event is open to anyone!
